Bendists

Soon followed by
and realized she
outside the fertile house
smiled, and have his hands
answered, hearing the entire door
front mumbled abbey
replied over and about
looking smiled again

Her parents
stuttering, seeing her john
house is sighed
breath mouthing grinned
thinking of the abbey john
his hands had given him

Tell her husband!
Tell her husband
trying to be very good alive
said son is a jake
promise me, very much
observe john
pulled the same thing over
and again upon hearing of the warm
coat john
his hands stopped talking about

Chain trouble so fountainhead
replied the prayer
standing erect
his tail at the end of our stick
plain over, drawn across
sprightly high
and gnocchi, weewee
struck the coat john jane
squelching at water

Argon Flash

Evening
whistle, go off, raise a ghost
item abstain from common
height
coupled with innards

Abate and abide
plaque sky
placate however flood
binds the creator
slip ship, with scrimshaw
up the itch knee
this-that readying
mimicking volition

Animal baby, cells of crisis
solo decorate be
cause to hit
great water with ensemble
from the bottom of the feet
to the top of the head
a derelict

Form/Tone

This rain has nothing to do with sustainability, it is about rain.

No more rhyme nor euphony
to eliminate the numeric distinction
of generic-specific relations
reflections is not the plural of reflection
in-between the pathos of nature
sundry of pains, joy

Upheld by youth, a great king
of being to the subhuman
no mesmeric outcome for a shift-shaft
tract becomes deliberate act, other

The height of distance reaches no distance
versatile earnest
forced upon the withdrawal of plenty
periphery, jeering however as pleasurable
reckoning, a wide nut among them
to induce stature

Happiness is unknown
un-indiscretion with innards
cavity bordered, botched and coupled
with logs burning, no discord
not a moment too soon, to overturn
the lost world
